

Helping Our Patients Get Back to Active Living!

MediLodge of St. Clair helps patients of all ages achieve maximum independence. Patients make appropriate recoveries through occupational, physical, and/or speech therapies.

Therapy treatments are offered throughout the week by licensed professional therapists in our well-equipped rehabilitation center.

Our dedicated team develops comprehensive, individualized care plans to maximize patients' physical, social and emotional independence safely and quickly.

Learn how we are able to help you, a relative, or a friend get back to active living.

Recover. Rejuvenate. Revitalize. Return Home.

PROVIDING THE **HIGHEST QUALITY SERVICE**

All day. Every day.

At MediLodge of St. Clair, your goal is our goal. Whether you are here for short-term rehabilitation, a complex medical issue or an extended stay, your journey towards recovery is our motivation.

Our dedicated staff operates with four basic principles in mind: to restore your health, improve your daily functioning, increase your independence, and provide you with the utmost comfort.

Our commitment is in giving you the rest you need to recover, the tools to rehabilitate, and the assistance to reintegrate into the best suited environment.

Restore Health

Improve Function

Increase Independence

Provide Comfort
